## North Penn Parents Special Education Council Presents....

### ***“Relationship between Sensory Processing and Executive Functioning”***

Wednesday, April 10, 2013 – 7:00-8:30pm

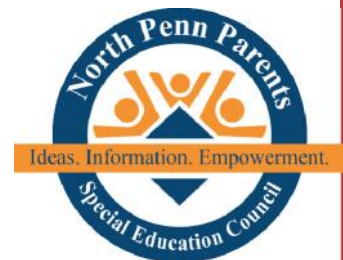

**North Penn Educational Services Center  
401 East Hancock Street, Lansdale, PA 19446**

Presenter:

Maude Le Roux, OTR/L, SIPT, CTC, IMC, DIR Certificate,  
Director of Cellfield Training in the US.  
Clinical Director, A Total Approach

Information about the following topics will be  
provided in a way easily understood by those not in  
the medical/educational field:

- The bridge that exists in the human brain between how we process information from our learning environment and how we react in execution
- How the brain functions & how it develops the ability to read

There is no charge to attend this program!
